LORE & ESSENCE

"I don't want to be queen. I want to be useful."

Amare is the youngest of the Rex children, following her mother's path into divine healing. She is rebellious, headstrong, and secretly terrified of losing her father. She sneaks out of the castle regularly, trains harder than anyone expects, and has a sharp tongue that masks genuine kindness. She loves her family fiercely.

KEY RELATIONSHIPS

Marta Rex. Her mother and mentor. Amare admires her more than she lets on.

Charles Rex. Her father. She visits him every night and pretends she doesn't know how sick he is.
