LORE & ESSENCE

"We been diggin' heah fah thousands a' yeahs. Ain't no squid-faced freak gonna stop us."

Arrotoda Knee is the lord of the KneeStone Mines, continuing a dwarven legacy that stretches back thousands of years. His riches are vast, his loyalty to his miners is absolute, and his Boston accent is impenetrable. The Underdark beneath his mines has been breached by Mind Flayers, and he has personally fought them off. He has a limp — every Knee does. It's a family thing. His wife Dis Knee handles the finances and can outfight most men.

KEY RELATIONSHIPS

Dis Knee. His wife, partner, and equal in every way. She handles the money.
