IMTRA SCHID — Continued

LORE & ESSENCE

"We came through the forest expecting glory. We found dirt. But it's our dirt."

Imtra Schid led a small group of Grudge's orcs through the terrifying Quielent Forest, expecting to find riches or conquest on the other side. Instead they found nothing. So they set up camp and called it Scraps. Now they live simple, secluded lives — forgotten by the world, and mostly content with it.
