Senses: Darkvision 60 ft., passive Perception 15

Resistances: Fire, Poison

TRAITS & FEATURES

Mine Manager. Prince Hardfire manages Gondor's mines and has proven himself a capable leader.

Secret Ambition. He secretly wants to overthrow his father, believing Hardfire is a coward for not expanding. He is training the baby black dragon to obey him.

Dragon Whisperer. Prince Hardfire has been feeding and bonding with his father's secret baby black dragon. It responds to his commands more than anyone else's.

Dwarven Toughness. Advantage on saves against poison. Resistance to poison damage.

PRINCE HARDFIRE — Continued

ACTIONS

Multiattack. Prince Hardfire makes two War Pick attacks.

War Pick +1. Melee Weapon Attack: +10 to hit, reach 5 ft. Hit: 12 (1d8 + 6 + 2) piercing.

Commanding Shout. All allies within 30 ft. gain advantage on attack rolls until the start of his next turn. (Recharge 5-6)

LORE & ESSENCE

"My father guards what he has. I intend to take what he won't."

Son of King Hardfire, the Prince has proven himself a capable mine manager. But beneath his loyal exterior, he secretly craves the throne. He considers his father a coward for not expanding dwarven territory. Most dangerously, he's been secretly bonding with his father's baby black dragon, training it to obey him — planning to use it to seize power.

KEY RELATIONSHIPS

King Hardfire. His father. Respects his strength, despises his caution.

The Baby Black Dragon. His secret weapon. The dragon responds to him more than anyone.
